## **C. Remarks**

The principle of Athlete Role model in TIP camps is getting further. Athletes from Senegal, South Africa, Algeria helped the Kenyan team in their everyday sessions. They did in the following of Jonathan Akinyemi, Olympian 2012 for Nigeria, TIP 2011, 2012, was coaching and supporting the young paddlers from Nigeria.

On the side of high-level performance over 4 years, TIP is a place of sharing wherever the paddlers are growing and living.
