## **A. Accommodation, venue and participants**

The Summer Tour 2015 targeted the Excellence TIP. Excellence TIP is the level above TIP World. It gathers the best athletes identified over the last 3 years.

It had been set on 3 periods:

- World Cups 1 & 2 (Pragues, Krakow)
- World Cups 4 & 5 (Seo, Pau)
- Long training camp in Bourg Saint Maurice

Paddlers were accommodated in hotel or youth hostel for the world cups. The accommodation in Bourg was an apartment with self catering. ICF TIP supported expenses for food, accommodation and water fees. Athletes were using their own car for transportation. Organization committees supported the accreditations.

### **B. Outcomes**

Beside the improvement in terms of paddling, it's a worth value for the "team spirit"
