federation

About ICF

The ICF is the umbrella organization of all 156 national Canoe Federations worldwide. We promote Canoeing worldwide and encourage recreational as well as professional practices. We are engaged in Development Programs as well as Social and Environmental commitments.

What makes canoeing unique?

Canoeing is a multidisciplinary sport with 2 Olympic disciplines (Sprint and Slalom) and 6 non Olympic discipline (Wildwater, Marathon, Freestyle, Dragon Boat Racing, Canoe Polo, Ocean Racing). Paracanoe (Sprint) has now been included in the paralympic sport programme; first up RIO 2016.

There is a worldwide growing appeal for Canoeing. It is fun and exciting, for all the family, relaxing or highly competitive. It is a healthy lifestyle with many benefits.

Canoeing can be:

- Passionate
- Endurance
- Adventurous
- Accessible
- Team spirit
- Exploring
- Natural environment
- Innovation
- Speed
- Leadership
- Captivating
- Trendy
- Solidarity
- Strategy

Your benefits as a Sponsor

A partnership with the ICF has great potential benefits

About 20 major ICF Events – World Championships and World Cups are taking place each year as well as 200 International Events.

By sponsoring the ICF you can:

- associate your company with the excellence and International success that elite athletes drive for
- benefit of worldwide media and TV coverage
- be associated to a growing, friendly and exciting sport
- give a young and dynamic image to your company
- access to a worldwide visibility
- possibility to brand ICF facilities at events
- access to ICF VIP privileges
- promote your product or services
- be associated to human values
- be associated to environmental commitments

Our benefits

Through strong partnerships we can:

- increase the media visibility
- expand the TV coverage
- continue to evolve and grow canoeing and kayaking
- train more coaches
- help talented individuals
- encourage new people to give canoeing a go
- support more Development Programmes
- commit ourselves on more social and environmental project
