## Competition Format and Rules

競技形式および規則 / Format et règlement des compétitions

As of THU 1 JUL 2021

### OLYMPIC COMPETITION FORMAT

Canoe slalom at the Tokyo 2020 Olympic Games consists of two men's events and two women's events, as follows:

| OLYMPIC COMPETITION FORMAT |       |               | BOAT MEASUREMENTS |            |             |
|----------------------------|-------|---------------|-------------------|------------|-------------|
| EVENT                      |       |               | MIN. LENGTH       | MIN. WIDTH | MIN. WEIGHT |
| K1                         | Kayak | Men and women | 350cm             | 60cm       | 9kg         |
| C1                         | Canoe | Men and women | 350cm             | 60cm       | 9kg         |

Competition consists of heats (two runs), semifinal (one run) and final (one run).

All results are presented in seconds and hundredths + penalties in seconds.

### DIFFERENCES BETWEEN THE ICF WORLD CHAMPIONSHIPS AND THE OLYMPIC GAMES

There are no doubles or team competitions at the Olympic Games.

At the Olympic Games each NOC is limited to one boat per event.

At the International Canoe Federation (ICF) World Championships, the number of participants in each event is limited to three boats per national federation and the progression system is different.

### CHANGES SINCE THE RIO 2016 OLYMPIC GAMES

The canoe double (C2) men's event has been replaced by the women's canoe event. Quotas spreading between events have been changed to reach the gender equality.

### SPORT RULES AND PROCEDURES

#### Progression

| EVENT         | SEMIFINAL | FINAL |
|---------------|-----------|-------|
| Men's kayak   | 20        | 10    |
| Women's kayak | 24        | 10    |
| Men's canoe   | 15        | 10    |
| Women's canoe | 18        | 10    |

Note that these numbers are minimums for the heats, as the qualification system allows more boats to enter each event under certain conditions.

#### Race distance and run duration

Minimum 150m and maximum 400m.

The targeted run time is approximately close to 95 seconds for men's kayak.

#### Gates

The course must consist of a minimum of 18 gates and a maximum of 25 gates, of which at least six or eight must be upstream gates. The gates are 1.2 to 4.0 metres in width measured between the poles. The gates must be numbered

in the order of negotiation, starting from one. The gate poles are painted with red and green rings if the gate must be negotiated upstream, or with green and white rings if the gate must be negotiated downstream. The gate numbers are also crossed with a red diagonal line on the side opposite to that of correct negotiation. The complete head of the competitor or competitors must cross the line between the poles in the correct direction for the gate, and in accordance with the course plan.

### **Start interval**

Start intervals are, in principle, three minutes but can be variable. The minimum permitted start interval is 45 seconds. The start interval can be up to three minutes and 30 seconds for the final.

### **Starting order**

The starting order is based on the ICF canoe slalom world ranking with the best-ranked athlete starting last. In the two heat runs, athletes start in the reverse order of the ICF canoe slalom world ranking. In the semifinal, athletes start in reverse order of their rank obtained in the heats, and in the final in reverse order of their rank obtained in the semifinal.

### **Tiebreak rules and procedures**

In the heats, if two or more boats obtain the same result for their best run, the result of their other run will resolve the tie. If boats are still tied, they are given the same ranking, and all will qualify to the semifinal.

If boats are tied in the semifinal, they are given the same ranking, and all will qualify to the final.

Ties in the final remain and medals will be awarded as follows:

- If two boats are tied for gold, both will be awarded gold medals and no silver medal will be awarded
- If three or more boats are tied for gold, all will be awarded gold medals and no silver or bronze medals will be awarded
- If two or more boats are tied for silver, all will be awarded silver medals and no bronze medal will be awarded
- If two or more boats are tied for bronze, all will be awarded bronze medals

### **Penalties**

A two second penalty is given to a boat that correctly negotiates a gate but touches one or both poles.

A 50 second penalty is given to any boat that:

- Intentionally pushes a gate to allow negotiation
- Negotiates a gate in the wrong direction
- Fails to negotiate a gate
- Negotiates a gate without the head and part of the boat in the gate line simultaneously

In canoe slalom any boat may start in the second run in the heats, even if the boat did not start (DNS) or did not finish (DNF) the first run or was disqualified for that run (DSQ-R).

### **Protests/appeals**

For judging and timing matters, a team leader may make one enquiry per boat, per event, with no fee. The chief judge will review all the available information when processing the enquiry. Following the investigation of the enquiry the decision of the chief judge becomes a matter of fact, and therefore cannot be protested further. An enquiry is considered only when submitted within five minutes of the athlete's checklist being posted.
